

University of Chichester Academy Trust Consultation on 2021 Admissions

Context

Stamshaw Infant School and Stamshaw Junior School joined the University of Chichester Academy Trust (the Trust) on 1 April 2019. This means the Trust is now the admissions authority for these two schools. The Trust has a common admissions policy for all its schools and it is proposed this policy will apply for admissions to Stamshaw Infant and Stamshaw Junior Schools for pupils applying for admission in 2021.

Consultation

The Trust will consult with stakeholders in the areas relevant for Stamshaw Infant and Stamshaw Junior Schools between 18th November 2019 and the 6th January 2020.

How to Respond

If you have any comments please address them to: admissionsconsultation@chi.ac.uk or by post to:

James Humphries
University of Chichester Academy Trust,
Bognor Regis Campus
Upper Bognor Road
Bognor Regis
West Sussex

If you wish to receive a paper copy of this consultation you should apply in writing to the above address.

We will publish our determination by the 31st January 2020. Following publication of the determination any subsequent objections will need to be made to the Office of the Schools Adjudicator by 15 May 2020.

Key Points

- From September 2021 we propose Stamshaw Infant and Stamshaw Junior schools operate under the Trust's common admissions policy
- We will participate in the coordinated admissions scheme run Portsmouth City Council for admissions into YR, Y3 and Y7 where relevant.

- The proposed changes mainly affect over-subscription criteria. These are set out below with a table outlining changes affecting specific academies.

Table of changes

Academy	Summary of changes to prioritisation
Stamshaw Infant School Stamshaw Junior School	Children of staff moved up Sibling criterion has been moved up

Our vision is for all young people to be inspired by an excellent education that raises their aspirations and enriches their lives. Our mission is to create a vibrant, inclusive and aspirational family of academies, transforming life chances for pupils through excellent teaching and learning. In order to uphold this, we seek to give priority in admissions arrangements which result in our academies being representative of their local communities and that groups that most need access to a high quality education are most likely to gain a place, where this is allowed within the Code. This includes children with special needs, looked after, children of service personnel and families facing disadvantage. In order to ensure the highest quality education we encourage the children of our staff to attend our academies.

The Trust will comply with all relevant provisions of the statutory codes of practice (the School Admissions Code and the School Admission Appeals Code) as they apply at any given time to maintained schools and with the law on admissions as it applies to maintained schools. Reference in the codes to admission authorities shall be deemed to be references to the governing body of the Trust. In particular, the Trust will take part in forums set up by the local authorities (LAs) in which its academies are located, to discuss admissions and have regard to their advice and will participate in the co-ordinated admission arrangements operated by Hampshire County Council, West Sussex County Council and Portsmouth City Council.

Number of Admissions

The published admissions number (PAN) for entry to our academies in the following year groups from September 2020 is:

Stamshaw Infant School, Portsmouth	90
Stamshaw Junior School, Portsmouth	90

Admissions Arrangements

Over-subscription criteria

The following oversubscription criteria will be used to allocate places should there be more demand than places available as set out in an academy's published admission number

(PAN). Any children with Education, Health and Care Plans that name an academy must be allocated a place even before the over-subscription criteria are applied.

1. Children looked after or previously looked after by a local authority

Children who are looked after by a local authority (i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours). Children who were previously looked after but immediately following being looked after became subject to an adoption order, residence or special guardianship order. Please see additional information.

2. Children or families with significant, physical, psychological or social need.

Evidence must be attached with the application. Applications under this criterion must be supported by written evidence from an appropriate professional involved stating clearly why the preferred school is the most appropriate for the child and reasons why other schools in the local authority are inappropriate (see additional information).

3. Children of staff employed at the school

Children of a member of staff who has been employed at the school for two or more years at the time at which the application is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage (see additional information).

4. Children with a sibling in the school

Children who have a brother or sister (living within the same household) already on roll and who will still be attending the school or a linked school (see table below) the following academic year.

This does include step-brothers/step-sisters/foster brothers/sisters living within the same household or children whose parents are married or cohabiting and live together within the same household (see additional information).

5. Catchment Area

Children living within the school's designated catchment area. If the school cannot admit all applications from the catchment area, priorities 6(i) to 6 (iii), will be used to allocate places.

6. Out of Catchment Area

Children living outside the school's catchment area in the following priority order:

- i) children attending, at the time of application, a named linked school (see table below)
- ii) Children eligible for the service premium at the time of application to the school.

Note - service premium is paid to eligible children of armed services personnel under S14 of the Education Act 2002

- iii) Children who live closest to the school, based on the shortest distance from home to school, measured 'as the crow flies'. (This distance will be used where necessary to prioritise applications- see additional information).

Should there be two or more identical distances requiring prioritisation, this will be done by casting lots (see additional information).

Should the academy be oversubscribed from within any of the criteria 6(i) to 6 (iii) above, then any additional criteria as given in 6(i) to 6 (iii) will be used to prioritise applications within these categories.

Displaced Sibling

Where the LA is unable to meet a parental preference in relation to a catchment school, the LA will have to allocate a place at a lower preference school or even allocate the next nearest school with places available. Parents may prefer to then try and get a place for another sibling at the same school. In such instances, this school could then be treated as the catchment school for subsequent sibling applications. Parents would have to notify the LA on application that they consider this exception applies. If the application was for the actual catchment school this criterion would still be applied.

Pupils with a statement of special educational needs or statutory education, health and care plan

The Admissions code states *"all children whose statement of special educational need (SEN) or Education Health and Care (EHC) plan names the school must be admitted"*. These children will have priority for admission over and above all other admission applications and will be included in the admissions allocation process.

Linked schools

The following schools are linked:

School being applied for:	Linked school:
Bordon Junior School	Bordon Infant School
Court Lane Junior School	Court Lane Infant School
Langstone Junior Academy	Langstone Infant School
Mill Chase Academy	Bordon Junior School, Bordon St Matthew's Church Of England (Aided) Primary School Blackmoor, Woodlea Primary School, The Holme Church of England (Controlled) Primary School, Weyford Nursery & Primary School
Stamshaw Junior School	Stamshaw Infant School

Additional Information

Looked after children

These are defined as children who are looked after by a local authority, i.e. in their care or provided with accommodation by the authority for a continuous period of more than 24 hours.

Children who were previously looked after, but ceased to be so because they were adopted or subject to a residence or special guardianship order¹. A copy of the relevant court order will be required.

**A child is considered as 'Looked After' as defined in section 22(1) of the Children Act 1989.*

*A child is considered 'Adopted' as defined in section 46 of the Adoption and Children Act 2002.
Residence order- as defined in section 8 of the Children Act 1989.
Special guardianship order – as defined in section 14 a of the Children Act 1989*

Medical, physical, psychological or social need

If your child or a family member has a significant medical, physical, psychological or social need that you would like taken into account when places are allocated, please tick the relevant box on the application form and attach supporting evidence to your form. All evidence must be sent together with the application form. The evidence must be in writing from your doctor or other appropriate professional involved with your child's health, wellbeing or your specific family circumstances. In all cases evidence must show why it is appropriate that your child attends your preferred school and why other schools in the city are inappropriate.

Failure to attach supporting evidence will delay the progress of your application and result in it not being considered under this criterion. It is your responsibility to provide the necessary evidence to support your application. All information given will be treated confidentially. If you are in any doubt about whether or not to include details, please contact the Admissions Service for further advice.

Catchment Areas

A catchment area is a geographical area defined by the council. The idea of having a catchment area is to give some priority for the admission of children living in the local area of the school. Please note: living in the catchment area does not guarantee a place at the school. Your catchment area is determined by your home address (the child's permanent residence).

Sibling links

A sibling link is defined as a child's brother or sister (living in the same household) already on roll and attending the school you have applied to or at an adjacent infant/junior school and who will still be attending the school the following academic year. This category includes step-brothers/step-sisters; adoptive/foster brothers/sisters living in the same household or children whose parents are married or cohabiting and live together within the same household. This does not include siblings who live in a different household. If you have twins, triplets or more children in the same household who are due to transfer into the same year group, please be aware that should the admission limit of a school be reached by admitting one child, your other child(ren) will be offered a place at the same school. Please note: a sibling link at the school does not guarantee admission to the school.

Distance criterion

Where it is necessary to prioritise applications the criterion will be prioritised based on the shortest distance from the child's home to school, measured in a straight line 'as the crow flies'. Distances will be measured using the council's Geographical Information System (GIS) department. The Local Land and Property Gazetteer (LLPG) unique property reference co-ordinates will be used to represent the school, whilst home co-ordinates will be primarily derived from the LLPG, with Ordnance Survey's ADDRESS-POINT® product used as support. Should there be two or more identical distances, the prioritisation will be done by casting lots. The Admissions Service will arrange for this to be carried out by the LA's Democratic Services who are independent of the school and the admissions process.

Fair Access Protocol

The Local Authority operates a Fair Access Protocol which prioritises admissions for certain categories of secondary school age children. This protocol relates to admission applications throughout the year (but not the transfer of Year 6 pupils from primary/junior to secondary schools). The protocol takes priority above the school's admission policy for those on a waiting list and the LA may require the school to admit above their published admission number.

Appeals

All applicants refused a place have a right to appeal to an independent appeal panel constituted and operated in accordance with the School Admissions Appeal Code.

Appellants in the normal admissions round should contact the University of Chichester Academy Trust. In-Year applicants can contact the University of Chichester Academy Trust at any time having received a refusal letter from the academy. Information on how to appeal and the timetable for the appeals process is on the Trust website at www.unicat.org.uk.

Waiting lists

All parents who have been refused a place at the school will have the option to indicate their wish to remain on the waiting list – via a tick box on the allocation response form online or on a paper reply slip.

Children will be held on the waiting list by order of the criteria in the Admissions Policy. No account can be taken of the length of time a pupil is on the list. A pupil's position can change on the list as new applicants join or other applicants come off the waiting list.

Children will remain on a waiting list only until the end of the academic year August 2021. If parents/carers want their children to be on the waiting list for the following academic year, they must reapply. The school delegate this function to the LA's Admission Service to administer.

The University of Chichester Academy Trust is the admission authority for its schools and the timetable for Admissions Appeals is available on its [website](#) along with further Appeals Information. All academies within the Trust participate in the co-ordinated admission arrangements operated by the local authority where they are located.
