06/02/2020

Dear everyone at Stamshaw Junior School

On behalf of Hampshire and Isle of Wight Air Ambulance, I would like to thank you personally for your generous donation of £198.85. Funded entirely by our local community, it is only thanks to supporters such as yourselves that we are able to keep our life-saving service operational.

As your local Air Ambulance, our specialist teams of doctors, paramedics and pilots can be at the scene of an incident within minutes. These teams are operational both day and night, 365 days a year, bringing the skills and equipment of the hospital emergency department directly to the patient.

Our patients are always at the heart of every decision that we make. With this in mind, we continually seek to evolve our service and to provide the highest level of emergency care to anyone in our community, should the worst happen.

In response to increasing patient demand, during 2019 we were called to over 2,000 incidents across our region – our busiest year so far. With your support, our promise is to ensure the Air Ambulance will always be there for anyone in Hampshire and the Isle of Wight, should they need us.

It costs over £15,000 a day to keep the Air Ambulance flying and saving lives and none of this could happen without your support. If you would like to find out more about our service you can sign up to our monthly email newsletter, register for a challenge or read about a recent life your donation has helped to save. Visit our website at: www.hiowaa.org

Yours sincerely

Sherie Williams Ellen
Deputy Chief Executive
