

Year 5 – Autumn 2 – Home Work Project

Ancient Egypt

Dear parents/carers,

Over the Autumn term, Year 5's topic of study is 'Pharaohs' in which Topic lessons are dedicated to exploring and learning about the history of Pharaohs and the discovery of Ancient Egypt.

Therefore, we invite children (and parents) to complete a Pharaoh themed homework project based on Ancient Egypt.

Examples of a homework project could be:

- *Power Point Presentation*
Choose an aspect of Ancient Egypt to research and create a Powerpoint
- *Journal or diary of a Pharaoh or an Ancient Egyptian God*
- *Creative drawing, painting or other artwork linked to Ancient Egypt*
This could incorporate the use of hieroglyphics!
- *Minecraft project to build or create Ancient Pyramids or other buildings*
- *3D model*
Use your research and imagination to create a 3D model

Homework will be shared in the class 'Museum' and uploaded to the school website for all to visit virtually!

All computer/game based projects to be emailed to class teachers -

5W: 5W@stamshawjun.org.uk or 5SW: 5SW@stamshawjun.org.uk

The project is due in by Monday 7th December
