

Sport Premium Funding for 2020 – 2021

We recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Investing in physical activity for our children is a vital step in encouraging them to lead a healthy lifestyle for their future. Our vision is to provide active opportunities for our children and furthermore include all in healthy competition. We aim to deliver a programme of activities to improve agility, balance, coordination and most importantly the knowledge of the benefits of regular and sustained physical activity throughout life.

Our Sports Premium Funding will enable us to continue and extend our provision through employing additional sports professionals, entering more into competitive sports, competitions and training our staff to deliver high quality PE sessions.

Project	Objective	Cost	Intended outcome	Actual Outcome July 2021
P.E. resources for KS2	Develop, renew and expand quality resources for use in and outside curriculum hours.	£9461	Equal opportunities for all children to take part using high quality and differentiated resources. To have a range of better equipment for teaching PE – specifically for ball games and small equipment	
School Sports Partnership (Bronze level)	Network of support for P.E. leader and training for staff. Specialist coaching. To allow our children to participate in festivals and healthy competitive sport beyond the school setting. <i>At present virtual competitions taking place across partnership.</i>	£2200	Opportunities for children to increase participation in both festivals and competitions. Staff improve their subject knowledge working alongside specialists	
Swimming for KS2. Specialist swimming instructors employed.	Provide children with a lifesaving skill. Year 5 classes 6 weeks each and catch up 1 Year 6 class. <i>This will hopefully take place in Spring if possible but just year 6 in order that they gain enough swimming sessions.</i>	£1500 estimate/£84 per session	Allow children to be able to save their life and to encourage a future healthy and active lifestyle. Increase in hours children learn to swim.	

The PE Hub - scheme of work	To provide all teaching staff with access to interactive planning and lessons.	£380	All staff able to teach PE effectively irrelevant of expertise.	
		Total - £12221		
		Premium carried forwards due to pandemic
