

Dear Parents & Carers.

08.09.2020

WELCOME BACK! It has been absolutely fantastic to hear lots of children's voices echoing around the school as it has been very quiet for nearly 6 months. Your children look really smart and are pleased to be back, as I am sure many of you are! It has been a long six months for you and I truly hope we remain open if we all follow the strict safety measures.

We have significant measures in place to ensure both the children and staff's safety. The main measure is keeping the children in their own bubble for the day with staggered times for playtime, lunchtime, including start and end times for the day. We are still focusing on the importance of hand hygiene. Your children's hands will be squeaky clean!

I must respectfully ask that you stay alert when collecting or dropping off your child and keep your distance. Please queue up 2m apart in your class bubble.

Remember to speak to your teacher if there is a problem with times at the infant school. We are very flexible and it won't be a problem if they are early or late. Either call the school and leave a message for the teacher or email your teacher directly. Emails can be found on our website under [parents/classemails](#)

I would encourage you to wear a face covering whilst waiting and also ask that you **keep to your times**. (Children **do not** wear a face covering) Look out for the signs showing where to queue.

I hope you have found the regular communication helpful and I do implore you to follow us on [Facebook](#) and/or [Twitter](#). If you do not have either I would strongly recommend you sign up even if only to follow SJS!
