

**YEAR 3 PREDATORS TOPIC - BIRDS OF PREY EXPERIENCE -**

**LIBERTY'S OWL, RAPTOR & REPTILE CENTRE VISIT – WEDNESDAY 21st SEPTEMBER 2022**

Dear Parents/ Carers,

We are really excited to announce that year 3 will be visited by a falconry expert from 'Liberty's Centre' on **Wednesday 14th September**. They will be bringing to the school a variety of birds of prey, such as hawks, eagles and kestrels; giving the children a memorable start to our 'Predators' science topic.

The day will include a workshop with each class, a flying display on our school field and a chance for the children to take part in a question and answer session. Lots of our learning this term will be inspired by what we experience on this day and help the children greatly with their writing and science learning.

We are asking for a contribution of **£4** towards the cost of the experience which you can either pay in cash in a named envelope or by using on-line payment via Scopay (details for setting up a Scopay account will be sent out in the first week of term).

Please complete the reply slip below and return as soon as possible.

Thank you for your support.
