<p>Bites, scratches or illness caused by the dog</p>	<p>Staff, pupils and handlers</p>	<p>Low</p>	<ul style="list-style-type: none"> • All dogs that visit are vaccinated, wormed, and treated for fleas • Dogs are groomed before the visit • All staff and pupils should wash their hands after contact with dogs • Handlers clear up dog faeces promptly and dispose of this safely – pupils are told to stay away • In the unfortunate event that someone should get bitten, the person must be taken to the first aid station to have the affected area cleaned and the appropriate first aid measures taken. • If the person bitten or scratched is a child then their parents must be informed immediately. The child and any children who witnessed the incident must be reassured and the situation explained; why the dog reacted in the way they did to allay any fears that could develop from their experience of the incident. • With respect to school dogs, the school or overall owner of the dog will need to have public liability insurance (also known as third party insurance) to cover unfortunate events when the dog bites or damages the third party's property. This is through Pet Business Insurance for up to one million pound. • If a child has an open injury, whether caused by the dog or by other means, the dog handler must ensure the dog does not lick the open wound. Similarly, children must be taught not to allow the dog to lick the open wound either. • Children do not go near Buddy's face or try and hug him. 	<p>Headteacher</p>
