

10th May 2024

Dear Parents and Carers,

We are about to make the children's dreams come true..... we are offering them the chance to break the school rules with no consequences!

As a school, we recognise the importance of reading and as a result our school council have decided that they would like to raise money for the school library. They have a wish list of books they would like from surveys they carried out in their classes that they have asked Mrs Palmer to purchase and add to the library.

To do this, we are going to have a "**Break the Rules**" day on **Friday 24th May 2024** where school rules can be broken. There is a flyer on the back of this letter to explain which rules can be broken. Essentially, children can choose to break up to 4 of the school rules and pay 50p for every rule they break. Children can bring the donation into school on the day for class teachers to collect and the money raised will be used to buy books that the children have requested.

If you have any questions, please ask your child's teacher.

Kind regards

Miss A Bushell
