

Dear Parents and Carers,

Harvest Celebration – Wednesday 16th October 2024.

We will be celebrating Harvest in school on Wednesday 16th October. During the Harvest period, the children will also learn about the work the Foodbank does. This will help our children to develop their understanding of how the food they contribute is used. The Foodbank provides food for families or individuals at a time of crisis, providing a breathing space whilst other support is organised.

We are asking each family, who are able, to bring in one item (or more if you wish) to contribute to the celebration. All donations will be gratefully received by the Portsmouth Foodbank. A list of items needed by the foodbank this year is provided below. Your contributions will be given to the Portsmouth Foodbank after the Harvest celebration.

We are asking that the children bring their tin, jar or packet of food into school from **Monday 30th September** onwards. We would like to thank you in advance for any contributions you are able to make, and we know that the Foodbank will be very grateful for your support of the work they do within Portsmouth.

Kind Regards

Mrs S Rogers
Year 6 (RE)Teacher
